

CCE : PARIKSHAPHAL

PROGRESS REPORT CARD SOFTWARE

Based on CCE Guidelines of CBSE

SARMA NG

Software Overview

CCE: PARIKSHAPHAL, a web based report card software designed according to CCE guidelines of C.B.S.E., simplifies the task of creating report cards by providing real time access to teachers, class teachers and principals.

With **CCE: PARIKSHAPHAL** the tedious process of report card generation is reduced to marks filling & taking printouts in a click of mouse.

Automated report card generation and evaluation on assessment areas like Part 1A: Scholastic, Part 1B: Scholastic, Part 2A: Co-Scholastic: Life Skills, Part 2B: Co-Scholastic: Attitudes & Values, Part 3A: Co-Scholastic: Co-curricular Activities, Part 3B: Co-Scholastic: Health & Physical Education.

CCE: PARIKSHAPHAL Software will help you in

- ✓ Easily accessing students marks related information
- ✓ Saving your time
- ✓ Reducing work stress
- ✓ Reducing work load
- ✓ Peace of mind (its error free)
- ✓ Reducing writing work
- ✓ Reducing calculation work to zero
- ✓ Getting more time for teaching work rather than calculation & writing

Features

- ✓ According to latest CBSE CCE guidelines.
- ✓ Zero calculations required i.e. conversion of marks into Grades, Percentage of marks from FA1(10%), FA2(10%), SA1(30%), FA3(10%), FA4(10%), SA2(30%), FA Total, Term I Total (FA+SA), Term II Total(FA+SA), Grand Total Percentile, Grade Point, CGPA, and Grades in scholastic & co-scholastic areas(5 point scale), Co-scholastic marks and grade up-gradation. All These calculations are done automatically.
- ✓ Error free system
- ✓ No pen work required
- ✓ Automated report card generation
